I graduated at Academy of Physical Education and Sport in Gdańsk.

Bachelor's degree in sport with equestrianism specialization and Master's degree in sport with sport management specialization.

I have obtained the title of a second-class trainer, my bachelor thesis touched the issues of equestrian sport psychology and its theme was "Personality and motivation of the achievements of riders practicing equestrianism with second and higher sporting class".

Previous experience in the field of...: Riding horses

Previous equestrian experience: I have I have broad experience in working with young, problematic and difficult to ride horses. I have been training young horses from the basics to jumping at height up to 1.45 m. Also been teaching people from basisc to compete at shows.
